**Notice of Dividend Forecast (Dividend Increase)
for Fiscal Year Ending December 31, 2019**

CAC Holdings Corporation (the “Company”) hereby announces that, at a meeting of its Board of Directors held today, it adopted a resolution regarding its forecast of the annual dividend per share (dividend increase) for the fiscal year ending December 31, 2019.

1. Contents of the dividend forecast

	Annual dividend		
	Second quarter-end	Year-end	Annual
Dividend forecast (Fiscal year ending December 31, 2019)	25 yen	25 yen	50 yen
(Reference) Result and forecast of the previous fiscal year (Fiscal year ended December 31, 2018)	19 yen	19 yen	38 yen

2. Reason

The Company’s medium-term strategy positions the increase of corporate value through the improvement of capital efficiency and the proactive return of profits to shareholders as its basic policy.

Taking into account the basic policy described above and the consolidated operating results forecast, the Company plans to pay an annual dividend per share of 50 yen, as a result of increases of 6 yen per share for the second quarter-end dividend and the year-end dividend, respectively (an annual increase of 12 yen).

End.
