## Three key points of the CAC Group

**Key point** 01

An IT and healthcare service provider that has strength in financial services, trust banks, and pharmaceuticals

The CAC Group is an independent pioneer that was founded at the dawn of the software industry in Japan.

We are prime contractor who develops and provides the optimal systems for users.

Prime contract rate Approx.

\* At CAC Corporation

5-year growth rate of **CRO** business

**135**%

We command a large market share for the development of pension management systems for major trust and banking companies.

In regards to services for the pharmaceutical industry, in addition to IT domain, we have expanded into the domain of the CRO (pharmaceutical BTO) business. This business has been our growth engine in recent years.

**Key point** 02

## Early start of growth through mergers and acquisitions (M&A)

**Overseas** 

Investment in overseas IT companies

2006-BPO/BTO

Investments, business acquisitions, and business integration in CRO as a growth field

2000-IT system

Acquisition of IT affiliates as systems divisions of companies such as Maruha Nichiro Corporation and YUASA TRADING CO., LTD. and converting them into subsidiaries of the CAC Group

2014-

Merger of three companies

Merger of Computer Applications Co., Ltd., a systems development and integration company, with two CAC Group companies, Nippon System Service Co., Ltd. (SSK) and System Utility Co., Ltd. (SUC)

We have summarized our unique characteristics into three points so that you can get a better idea of what the CAC Group is all about.

**Key point** 03

## Overseas markets as growth frontiers

The CAC Group expanded overseas in the 1970s before other Japanese companies were interested in entering the markets of other countries.

In recent years, we have been increasing the percentage of overseas operations through initiatives
